Dear THS Tiger Band Alumni,

2010 marks the 5th year for the Travis Tiger Band and this year we have added the Color Guard as part of our band family. Already, Mr. Carter and Mr. Huneycutt have established a respected program that has achieved many milestones during its short existence. The band consistently performs well at marching competitions, presenting programs that are crowd pleasing, musically and visually complex, and challenge band members to work and play as part of a well oiled machine. The band has become a family that welcomes all and works together as a whole to achieve their goals while still enjoying the journey. The founding members are the ones who set the bar so high and gave the band something to live up to. We thank you for that.

As a Tiger Band alumni you know how special band friends became. You know the thrill you felt being part of an award winning performance. You know the fun you had as band member helped make your high school years special. But most of all, you know how important the band experience is in building confidence, instilling discipline and a sense of responsibility, and preparing students to succeed as they begin their lives after high school. It is important the Tiger Band and Color Guard experience continues on at Travis High School.

This year the booster club is establishing two new programs for Tiger Band Alumni.

1. Tiger Band Alumni Patrons, a new level of THS Tiger Band Booster Club Director's Circle of supports especially for Travis Tiger Band alumni. Your donation of \$25.00 goes directly to the band. It will be used to help fund purchases of new equipment, pay for clinicians and technicians, and provide other resources necessary to produce the quality programs the band presents and provide the same exciting band experience you had as a member of the Travis Tiger Band.
2. The James and Robin Murphy Scholarship Fund which will award a \$1000 scholarship to a worthy graduating senior from the Travis Tiger Band. This scholarship will be funded through donations from the community and we would like to invite the Alumni to help us start the program off right with a small donation. Scholarship donations can be sent to the address below and marked for the Jim and Robin Murphy scholarship fund.

Tiger Band Alumni Patrons will be honored by including their names in a list displayed on the [Travis Tiger Band website](#).

Please consider becoming an alumni patron and making a contribution to the James and Robin Murphy Scholarship Fund. Help continue the feeling of Dedication, Energy, Excellence, Success, and Honor inspired by the Travis Tiger Band and Color Guard.
