

Travis Tiger Band 2012 Calendar

Travis Tiger Band Parents, Alumni and Friends!

Get your Travis Tiger Band Calendars for 2012! As one of our fundraising projects this year, we are producing a **2012** full color calendar featuring the Travis Tiger Band! Each month will feature fun and fabulous (!) photos of our students as they participate in band activities. The calendar will also list all currently scheduled band and school events that we know about with plenty of room to fill in the events not yet on the 2012 schedule. This is a January – December 2012 calendar.

Calendars should be in before Thanksgiving (need Christmas presents?) and will be \$15 each. We only have a limited number available, so **pre-order** yours now with the attached form! Once they arrive, it will be first come, first served. Additionally, we are offering "**birthday spots**" to anyone who would like his/her birthday included on the calendar – see attached form AND we are also offering **mini ad space** for anyone who would like to include a personal message to his/her student or a business ad or just about anything (within reason!) Personalized birthday spots are \$1 each and personalized ads are \$5 each. Both must be in by **Wednesday, Oct. 12** to be in time for publication. Return all money and forms to afternoon band practice. Thanks for your support!
